

2016 EDITION OF CARON'S BROCHURE

Good news !

More than ever **CARON** can provide you, the industry professional, with the most extensive line of cabinet doors, accessories, wood tops and dovetail drawer boxes.

A quick glance at our new corporate brochure will surely convince you:

- Proven classics – Shaker doors from **\$6.40**/sq. foot (net).
- Popular classics – MDF doors from **\$3.49**/sq. foot (net).
- Appealing textured woods of Barn style, Driftwood, Mosaïk, Ocean, Knotty grades, etc.
- Contemporary doors with Hi Gloss European laminates (Brilliant Event) as well as the Euro style collection.
- Exquisite Engineered woods of the Exotik Style.
- Affordable and practical laminated MDF ready to install (Eurolam).
- Convenient and economical finishing services, components completely prefinished or top quality primer coats only (on MDF).

CARON expedited service, best quality/price ratio, eco-friendly

Benefit from our basic production time of 3 to 5 days only, the shortest of the industry.

Your customers expect quality; we back you with our Quality Management System registered under ISO 9001 : 2008.

Eco-friendly? With 10 years experience, our mature program provides you with multiple true “**green**” options plus the 80,000 trees planted (thanks to our customers and partners Tree Canada and American Forest).
